See You in Phoenix!

For the third year, SGIP will be co-locating its Winter Face-to-Face with Grid-Interop. SGIP Leaders and Administrator team are finalizing details for next week's meeting in Arizona at the Phoenix Convention Center.

The finalized SGIP session schedule including registration for remote participation is now complete and can be found here on the TWiki: <http://collaborate.nist.gov/twiki-sggrid/bin/view/SmartGrid/WinterF2F2011>.

Held in partnership with Clasma, GridWise Architecture Council and Department of Energy, more than 100 industry-leading speakers will participate in 30 sessions to cover critical areas of progress and opportunity related to: information interoperability, architecture, business, policy, and cross-cutting issues like cyber security. The full Grid-Interop agenda can be found here (<http://www.grid-interop.com/2011/#agenda>) along with travel and registration information.
