### **CALL FOR PAPERS – GRID INTEROP 2012** **“Driving to Grid 2020”**

This sixth annual Grid-Interop Forum builds on the success of the past events by helping to enhance interoperability activities in pursuit of the smart grid.

Abstracts should address ideas and proposals to advance interoperability of smart grids as articulated by the GridWise Architecture Council (please visit [www.gridwiseac.org](http://www.gridwiseac.org)) and to implement the NIST Interoperability Roadmap. Grid-Interop offers the opportunity to discuss new and innovative ways for improving smart grid interactions, and the opportunity to participate in actions that shape the future of interoperability.
