Gearing Up for Grid-Interop and SGIP's Winter Face-to-Face

Planning for Grid-Interop and our winter SGIP meeting is progressing nicely. Once again, we have a full schedule of activities for the week of December 2 – 7. The slate of events starts Sunday night with the Governing Board kickoff meeting and ends Friday afternoon with a US-Korean Smart Grid Workshop. This year the conference will be located at the Irving Convention Center in Irving, Texas.
